

Garbage 17 February - Hare Dogs Bollocks - onon 4 Utah Place.

*I have waited for the garbage for the last weeks r*n,
but was told Brick let us down!!!!!!..*

All we got was a bloody brief email from Dagy saying "Dogs
Bollocks r*n - meet north end Bower Ave and onon at 4 Utah
Place" - but that was sufficient for hashers from all over
the place to flood in

All complemented "Dogs great run" - I thought I
would just get that comment in first.

Dogs happened to bring along some perspective Police recruits

that were sitting around the
station, on a night off, they
livened things up a bit.... And we
were in luck as SSS ran into the
"iStock"
sales
team
and

invited them along too So in the
end we had 30+. In addition to that
we had "Long Prong" and
"Sluttybardfast" from a UK hash - unfortunately they could not
stay for the onon.

Notably missing were:

- SIF: called in with a work excuse - but did manage to arrange for a truck to break down nearby so he could claim the trip as a work expense.
- Dagy: pretending to have family staying.
- Linc & Oxy: at a romantic dinner.
- Labrat & Glowworm: at home - avoiding having to shout for Labrat's birthday.

A cunningly laid trail took in the sights of Bottle Lake and the surrounding streets. Walkers had to lead the way in many places and there was a distinct lack of hash skill displayed in finding trail and calling. They did not seem to grasp the fact that trail could start within 360 degrees of a check!!!!!!!!!!!!

PS 1 saw the flock hashers struggle into a gap in the sand dunes. SSS and EmDF got excited when Bill & Ben - (two well-known locals from the gay community) approached them and asked if they would care to "swap".

The Police recruits and iStock team really played it up at the PS .. there was "TNA" galore (for the uneducated TNA = "tits 'n arse". Vassie was even persuaded to come out of retirement for a good old fashioned falsh.

All this was too much for the HARE and he cancelled the second leg of the r*n and directed all back to the onon.

That caused a ruckus. The Police recruits and iStock team packed a shitty and headed off into town for a bit more "TNA" action.

OH and fines etc.

Vassie was so brave declaring it a sitting, hasts on and hands in the pocket circle. She completely ignored Dagy's request to mix cheap shitty sweet warm soft

drink into the fines mix. She (Vassie) - the bitch!!!! - used Dogs QUALITY home brew.

	<p>EmDF 200 r*n</p>
